2019 Meeting Schedule

Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
none	4th	4th	1st	13 th AGM	3rd	1st	none	2nd	7th	4th	2nd

Approval of previous minutes

The previous minutes were agreed by all.

Health and Safety Issues

Pavillion users need to be made aware that access to all of the fire exits and their shutters must be open and clear for escape whilst they are using the building.

Action: Fran Barlow. to update the hirer's agreement accordingly and consider appropriate signage within the pavillion.

Financial Matters

Current balance is: £25,378.52 at end of September.

Payments approved to be made:

- £52 for wood treatment for Jolyon Tidmarsh
- £30 for cleaning

Paid in: £500 from the safari supper.

Meter Readings GAS - (now automatic 0117339) Electricity: - 58381

Administrative Matters

Tom and Emily Richards (our neighbours to the south) have agreed with us access through the rec for their builders started ~25 June and remains in progress. JT has their deposit cheque for £500 in safe keeping.

Reports from Clubs and other Rec Ground Users

We have had a request for a Yoga class to be held at the pavillion. It was felt that we should encourage light use of the facilities like this. Wear and tear would be minimal. Cleaning should be done by the hirer using the vacuum cleaner. A rate of £12/hr was agreed.

Fundraising and Social

Safari supper. Date: Saturday 21st September. An excellent evening was had by all. Many thanks to Laura, Berenic and Susan for organising it and to everyone that hosted a course.

Bonfire Night Saturday 9th November 2019. Albie Welch

Albie is now actively organising the event. It will be has last year and we need to find successors to shadow him on this event.

Albie would like to have Inflatable bouncy castles, we need to ensure that it is covered by the PC's Public Liability Insurance in addition to the suppliers' insurance. Our insurance policy was requested from the PC Clerk.

Note that First Aid plan remains an open action since it is not on the Bonfire Risk Assessment.

Albie to arrange bonfire organisation meeting with minutes to be sent to Joanna Hart.

Maintenance

It has suggested that a baby changing station be provided. This was reviewed and we think it should be fitted in the disabled loo. They are sold via Screwfix or Ironmongery Direct. JW has found something suitable that was discussed and we agreed to buy it. **Action: Jo Walshe.**

The cleaner has complained about the vacuum cleaner. We ought to replace it; the Dyson has been shonky for several years. Get a commercial grade thing, such as a Henry or a Shark. **Action: jo Walshe to dispose of the old one.**

Ladies Loo not filling correctly. **Action Jolyon – get a plumber.**

PAT testing is due end of November. The 10year building electrical check is also due: Action Joanna Hart.

Jeremy has highlighted a variety of building issues that need dealing with before they start getting expensive. Here they are:

1. The paving slabs on either side of the pavillion and the steps to the front are loose. The banisters and ballustrades on the steps on all sides of the verandah that are not underneath the roof need replacing. These should preferably be metalwork to be longer lasting.

We have received quotes from a reputable builder £2,124 (inc) to replace the wooden ballustrades with metal equivalents and £546 to fix the paving and steps. Total is £2,670 (inc). Jolyon to action once PC approval made. Action: Joanna Hart

2. The middle strip light in the kitchen is faulty as is one of the club room lights and another in the attic. These are part of the emergency lighting if the mains fails.

JT has actioned GA Electrical in Wallingford to fix these. Due 15th Oct.

3. Fire Exit sign: the sign on the door is wrong. There are 4 exits: front entrance, back entrance, kitchen and veranda. I'd put another sign on the lollingdon end club room door

Development plans – Swings

Luci Didrikson has previously presented the ideas for replacing the swings (£10k) and adding a climb-over play cabin (£4k). The frame for the old swings have been dismantled. The bark pit has revealed concrete foundations for the frame which will require the contractors to remove it as part of the works. This will require some discussion with the potential suppliers. There is also a potential £5,000 grant from SODC which needs a letter to give to parish council meeting.

Action: Kirsty

Bolt under the Zipwire seat has corroded. Jolyon has contacted the supplier, Fawns and they are pricing up a replacement. **In progress. Action: Kirsty**

ARC is seeking a enthusiastic volunteer to spearhead the Multi-Use Game Area development. **Action: jolyon VN advert to find someone.** Until we have someone to spear head this then it is on hold.

Any Other Business

On Tuesday 13th August there was some vandalism. One large and one small football net were taken. They also attempted to dismantle the small goalposts. The case for the defibrillator was also damaged such that it no longer locks.

We have a crime number: 43190287189

Big goal net and clips £130+VAT plus stainless steel cable ties to prevent theft at £20+VAT

Small goal net and clips £31+VAT plus thick plastic cable ties £3.32 +VAT

It was agreed to get on and replace the net for the small goals and use stronger cable ties (estimated £35+VAT).

Actions: JRT to email Denes with rough costs to start the claim process. Book cost for the nets . Defib case will be new for old.

Jeremy has bought the small nets and will fit them soon.

Long Term Information for Reference

Item	Description	Action	Date Raised
Cleaning Checks	<p>13. Someone needs to be appointed to check:</p> <ul style="list-style-type: none"> a. the hand soap bottles (cheaper to fill and easier than refilling the wall-mounted ones, and they don't drip) b. the hand towel dispensers (need to be 2/3 full) c. toilet rolls (always three put out per toilet- especially in the ladies!) d. kitchen rolls (two out) e. Cleaning cloths- on a big green roll f. washing up liquid g. tea towels –washed regularly h bin bags for toilets, kitchen and changing rooms l. dishwasher tablets, salt, rinseaid. j. check stock under the counter next to sink and attic, for the above items k. empty dyson 	<p>This needs to end up in a document somewhere.</p> <p>We should have a scope of works for the cleaner.</p>	June 2018
Playground	<p>A recent (Q1 2019) playground inspection has raised a variety of small issues which will need attention:</p> <p>The little climbing frame: There is a bolt missing on the slide on the little climbing frame, but it's not causing a problem.</p> <p>Walking apparatus: reference The Vertical posts on the walking apparatus: The 4th post after the first walking frame is becoming mobile. It's ok now, but will probably fail by the end of the year. The last post after the second frame is also becoming loose, but that one isn't imminently going to fail- just note it for future reference.</p>
