

Guidance notes on completing Part 2 of the Annual Governance and Accountability Return 2017/18, Sections 1 and 2

- Where an authority is exempt from the requirement for a limited assurance review, it need not submit its Annual Governance and Accountability Return to the external auditor. However, as part of a more proportionate regime, the authority **must** comply with the requirements of the Transparency Code for Smaller Authorities.
- The authority **must** comply with Proper Practices in completing this Annual Governance and Accountability Return and the Certificate of Exemption. Proper Practices are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end.
- The authority **should** receive and note the annual internal audit report prior to approving the annual governance statement and before approving the accounts.
- Make sure that the Annual Governance and Accountability Return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed annual return. Any amendments must be approved by the authority and properly initialled.
- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness at the meeting at which it is signed off.
- You **should** inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant email addresses and telephone numbers.
- It is recommended that the authority has numerical and narrative explanations for significant variances in the accounting statements on **page 4**, should a question be raised by a local elector. There is guidance provided in the *Practitioners' Guide** that may assist.
- Make sure that the accounting statements add up and the balance carried forward from the previous year (Box 7 of 2017) equals the balance brought forward in the current year (Box 1 of 2018).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the accounts and accounting records can be inspected. Whatever period the RFO sets **must** include a common inspection period – during which the accounts and accounting records of all smaller authorities must be available for public inspection – of the first ten working days of July.
- The authority **must** publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor.

Astons PC & ARC Accounts – 2018/18

I have completed my independent examination of the PC and ARC Accounts for the year ended 31st March 2018.

There were a couple of minor points on both accounts which required clarification and Joanna Hart has provided satisfactory explanations and assurances.

The closing balances in the consolidated accounts (£37K and £29K for PC and ARC, respectively) are significant in relation to annual commitments but I also have assurances that ARC has plans to improve facilities at the Recreation Ground including a contingency fund to replace the time-worn tractor and the PC has proposals to fund further speed restriction measures within the village. It is expected these projects will have a significant impact on the reserves.

In the light of the above I have signed the relevant section in the Annual Governance and Accountability Return and provided positive responses to all the control objectives contained therein.

It is quite evident that considerable time and effort has gone into maintaining both sets of financial records and producing consolidated accounts. I would like to congratulate those who have been involved in this process for their hard work.

SIGNIFICANT VARIATION STATEMENT

ASTON UPTHORPE AND TIRROLD PARISH COUNCIL 2017/2018

BALANCES:- Due to successful funding raising at ARC and the Parish Council's project to have 20mph Traffic Calming Zone being delayed into the next financial year. The high consolidated bank balance of £65,965 is to cover anticipated traffic calming measures (£20,000) and development of the play equipment at the Recreation Ground (total cost likely to exceed £100,000) as noted in the AGM on the 21st May section 8.

STAFF COSTS:- This is 26% lower primarily due to an HMRC credit for employee tax and the HMRC final payment taking place after 31st March. In addition the previous year included 2 Clerks during the handover period of 2 months.

ALL OTHER PAYMENTS:- This is due to the purchase of football goals (£3200) for the recreation ground and long overdue maintenance for the Pavilion (£2741).
