

CLP HOUSING & DEVELOPMENT PROJECT TEAM
13th FEBRUARY 2018
MEETING

Our principal objective is that proposals for housing development in the Astons sympathetically accord with the wishes of the villagers as expressed in the Community Led Plan.

Present: Susanna Brunskill, Anna Dillon, Emma Lewins and Steve White
Absent: John Short

1. Minutes of the last meeting

- a. Accepted.

2. Conservation Area Management Plan and Character Appraisal

- a. SODC gave us A0 maps of the villages based on 2005 mapping. They include some changes such as Frimley Yard, but missing are changes to individual houses such as extensions and some new builds. We agreed to update the maps and ask SODC to urge OS to remap.

3. Policy framework

- a. This project has been successfully completed and can be removed from future agendas for the time being. However, its purpose might become active again as SODC's Local Plan is finalised and the Ox-Cam Expressway is begun.

4. Planning constraints within the Astons

- a. AD will present an overview of her mapping work to the PC at its 19th February meeting.
- b. We asked:
 - i. who owns Picks Field
 - ii. what rights of usage attach to Blewburton Hill.

5. Oxford-MK-Cambridge Expressway.

- a. In the absence of more evidence, our discussion of the likely route was speculative. It made it ever more apparent that the Astons should stay close to the Expressway Action Group.

6. AOB

- a. None

7. Date of next meetings

3.00pm on 13th March at The Old Church Barn.
