

THE ASTONS VILLAGE APPRAISAL YOUTH QUESTIONNAIRE

This questionnaire has been designed for young people aged 11 - 17 living in the Astons. We are particularly interested to know your views about the villages.

The Village Appraisal is a survey of what people think about the villages, their problems and needs.

Everyone in the villages over 11 years of age is being asked their views as part of this Appraisal. There is a separate questionnaire for people aged 18 years and over.

The results of this Appraisal will be published in a report. The information gathered will be used by the Parish Councils and other organisations to make plans for the future of the villages - for young people as well as old.

Please read carefully before answering the Questions

When you answer the questions with boxes, please tick more than one if appropriate. If you do not wish to answer a particular question, please leave it and go on to the next one. You do not need to fill in your name - we are only interested in your views.
